System of Rewards for First Aid Men

Every man doing good First Aid work will receive a card like this, properly filled out and signed:

3"

You did good
FIRST AID SERVICE
in the case of

*We appreciate this
service very much
and thank you.*

CHIEF PHYSICIAN

*Save these Cards
and redeem them*

5 1/2"

Upon presentation of the required number of cards to your captain, the Rewards as described below may be obtained.

Rewards can be inspected at a place to be named by your captain.

Description of Rewards

First Aid Bandage: These are packed one each in a neat carton and upon each one is printed a series of pictures illustrating their use as shown in this cut:

One Printed Bandage given for Two Cards.

First Aid Outfit: Consists of a metal case, which contains a gauze bandage with a compress sewed in its center, a printed triangular bandage, two safety pins and a card of directions. With it and splints which latter can easily be made of any wood or cardboard one is prepared to treat any ordinary injury. The case is air tight.

Given as a Reward for Three Cards.

First Aid Text Book: Miners Edition; A good book of 186 pages of which last 50 pages treat especially of matters of interest to the miner.

Given as a Reward for Three Cards.

First Aid Text Book: Railroad Edition; In this book the last 30 pages are of especial interest to shop men. Total number of pages, 150.

Given as a Reward for Three Cards

First Aid Text Book: Women's Edition; This is a neat little volume of 148 pages, which gives especial attention to the needs of the home.

Given as a Reward for Three Cards.

First Aid Text Book: General Edition; This valuable book takes up the First Aid question in a general way in 183 pages.

Given as a Reward for Three Cards.

American National Red Cross Text Book: This bound volume of 247 pages is a complete description of First Aid and Relief Column Activities. This work gives practically all that is of value in First Aid work.

Given as a Reward for Five Cards.

American Red Cross Charts: There are a series of Five Wall Charts each 20x28 inches, mounted on rollers with a tape for hanging. This series consists of 5 handsomely lithographed wall charts, mounted on linen and heavy rollers; size of each, 20x28 inches. These charts can be used in the study and self instruction of First Aid Problems especially in connection with our First Aid Instruction outfit.

Charts are numbered and are illustrative of the following

Chart I.

The Skeleton

Chart II.

The Muscles

Chart III.

Scheme of Systemic Circulation, in 3 colors

Chart IV.

Fracture and Dislocation

Chart V.

Arteries and Points of Pressure for Controlling Hemorrhages, in 2 colors.

Given as a Reward for Ten Cards.

American Red Cross Instruction Outfit: This outfit is especially useful for small groups for home instruction. With it and the Red Cross Charts any one can do good study work in First Aid problems, and has all material necessary for a practical course of instruction in First Aid to the injured.
